Family offices are the overwhelming choice of billionaire families, and for rational reasons. They pay close attention to taxes, and legacy planning is a primary goal. But those goals apply to your family, too, and we want to make sure you are taking full advantage of tax and estate planning rules.

Our Legacy Services team can help you think through some of the most important decisions of your financial life, including what will happen to your surviving family members. We can help you make sure that your heirs and assigns, including charity, get the full impact of your life's work.
